## L1 Capital International

L1 Capital International is an independent active manager of global equities. We apply a detailed investment process built on a fundamental assessment of quality and value. We aim to deliver attractive risk-adjusted returns by investing in high quality companies in well-structured industries that we understand and that have favourable cashflow-based valuations. Capital preservation over the investment horizon is central to our investment philosophy and process.

## Investment Philosophy

L1 Capital International will generally invest in businesses that demonstrate:

- Durable business models
- Well structured, growing industries
- Aligned management with a strong capital allocation track record
- Growing free cashflow
- Sustainable high returns on invested capital
- An ability to reinvest capital at attractive incremental returns and/or return excess capital efficiently to shareholders
- A conservative balance sheet and funding structure

## Revenue Exposure By Region\*

\* Revenue by region is internally estimated on a look through basis based on the underlying revenues of the individual companies held in the portfolio

## Market Capitalisation Exposure
